

**RENEWABLE
ENERGY
SUMMIT 2019**

PROGRAM

OF THE III INTERNATIONAL RENEWABLE ENERGY SUMMIT

On the September 25th 2019 in Nur-Sultan city will be held the - III international summit on renewable energy sources - an industrial platform, in which leading world and domestic experts will participate.

The key idea of the Renewable Energy Summit is to demonstrate and discuss the possibilities of using renewable energy sources in the life of society - from domestic use to large-scale government projects. The final goal is manifestation of the most effective solutions for the "green" future of Kazakhstan and the entire world community.

The event will be held within the frame of the KAZAKHSTAN ENERGY WEEK 2019 / XII KAZENERGY Eurasian Forum, being hosted by the KAZENERGY Association with support of the Government of the Republic of Kazakhstan.
